#YouAreNotAlone

This Domestic Violence Awareness Month, MAWS is launching a multilingual awareness campaign with an important message for immigrant, newcomer and refugee women and families experiencing gender-based violence: "You Are Not Alone."

Our campaign features videos in five languages - Arabic, Punjabi, Mandarin, Persian and English - with the Manitoba 24/7 toll-free Crisis and Support Line and MAWS website information included.

Through these multilingual videos, our campaign hopes to connect the survivors of cultural and linguistic diversity with support programs, including the confidential Crisis and Support Line (1-877-977-0007).

MAWS would like to thank the British Columbia Society of Transition Houses (BCSTH), who created the original "You Are Not Alone" campaign and shared their resources with MAWS. Additionally, advertising for the MAWS YANA Campaign was made possible through collaboration with the Provincial Association of Transition Houses and Services of Saskatchewan (PATHS) and funds provided by the PrairieAction Foundation.
